

Brisbane Tritons Water Polo Registration information

Welcome! We are super excited that you're keen to join the Brisbane Tritons and have a fun time playing water polo! This document has been prepared to assist and communicate some common questions regarding the registration process for the Brisbane Tritons. It is predominantly aimed at those players registering for ongoing training (e.g. not our newbie program).

First up – please navigate to:

<https://www.brisbanetritons.org/registration/> then select a registration option.

Step 1: Registration Option

A screenshot of a web form titled "Registration Questions". The form has a white background with a dark teal border. At the top, the title "Registration Questions" is in a large, bold, dark teal font. Below the title, there is a paragraph of text in a smaller, dark teal font. At the bottom of the form, there are two dark teal buttons with white text. The left button is labeled "RETURNING MEMBER" and "I have registered for Water Polo in the past". The right button is labeled "NEW MEMBER" and "I have never registered for Water Polo before".

Registration Questions

If you have any questions about becoming a member of the Brisbane Tritons or completing the registration form, please contact Kevin Seeger via treasbrisbanetritons@gmail.com before completing your registration.

RETURNING MEMBER
I have registered for Water Polo in the past

NEW MEMBER
I have never registered for Water Polo before

Step 2 : Basic Information

The screenshot shows a registration form titled 'Step 2 : Basic Information'. At the top, there is a progress bar with 'Step 1/9: Get started' highlighted. Below the progress bar is a 'Start again' link. The form contains several input fields: 'National ID:' with a text box and a note '(If not known, leave blank)'; 'First name*' and 'Last name*' with text boxes; 'Date of birth*' with three dropdown menus (day: '1', month: 'January', year: '2023'); and 'Gender identity*' with four radio button options: 'Male', 'Female', 'Non-Binary', and 'Differently identify'. At the bottom of the form is a dark green 'Next step' button.

This step asks for some basic information and is WPA/WPQ's way of checking if you're in the system on their end. You'll enter your information into these boxes and then WPA/WPQ will email you back at the email address supplied with your National ID number and then you'll be able to proceed. If you're new or played for another club the step can be a smidge longer.

Please check spam folders if you aren't getting emails.

Step 3 : WPA/WPQ Insurance Levels

Select a membership type

Service fees for online payment apply, and will be calculated and displayed **prior to payment** dependent on any additional purchases, addons, or discount codes.

☐ **Bronze Free (Season 2023/24)**

\$0.00

☐ **Platinum Category (Season 2023/24)**

\$190.00

This category is for people of all ages who wish to be able to participate in any Formal Competitions and Informal Events. This is required if you want to play against other teams in Brisbane in any WPQ sanctioned competitions.

☐ **Silver Category (Season 2023/24)**

\$59.00

This is a social registration package and for those interested only in Sunday/Thursday training and do not coach and/or referee. If you want to play against other teams and/or clubs select the platinum category.

Next step

After the basic information section you'll need to select one of the three options for rego/insurance. These categories are registration categories for the Water Polo Australia / Water Polo Queensland organisations. They are fees that we have no control over. Please see their relevant websites for a more exhaustive description of their contents.

Broadly the categories for you are relevant to the amount and type of water polo activity you want to do.

- Bronze is for volunteers, complete newbies (e.g. bootcampers), and purely administrative folk. Basically you don't want to get in the water at all.
- Silver – This insurance is a purely social category we have applied for and received permission to utilise for our club. It is for those players that just want to train *within* our club. You get to train at all Tritons events but cannot play in any WPQ formal established events (e.g. the BWPI summer competition). This category can be upgraded later to the platinum one if you decide you want to participate in the competitions later.

We require at least Silver level for Sunday/Thursday training for repeat members.

- Platinum – This insurance is the highest level and covers all training and competition events.

Step 4 : Tritons Club Fees Add On

Select any optional addons

☐ **Full Season** \$370.00

Tritons Club Fee - Full Year. Covers all Tritons specific training (Sun/Thur), administrative, and club costs for the 2023-2024 Registration period. Note: This does not cover optional add-ons (e.g. Togs) or competition costs (E.g. BWPI).

☐ **Half Season** \$185.00

Tritons Club Fee - Half Season. Covers all Tritons specific training (Sun/Thur), administrative, and club costs for six months of the 2023-2024 rego period. Note: This does not cover optional add-ons (e.g. Togs) or competition costs (E.g. BWPI).

☐ **Tritons Deferred Club Fee - Half Season** \$0.00

Deferred Club Fee - only use with approval from the club treasurer. Applies only to half season packages.

Next step

The Brisbane Tritons is a volunteer run organisation but we do have costs over the course of the year. Our largest costs generally revolve around training and pool hire components. We have opted this year to increase the number of training sessions for our members and do a significant amount more Thursday night sessions to increase overall engagement.

This year the committee has offered three different options to our members:

1. Full Season Fee – This fee covers all the Sunday/Thursday night training from September 01, 2023 to August 31, 2024 (The Rego period). It also includes the club administrative costs and miscellaneous other expenses expected to be incurred. It does NOT include other club apparel like a polo or togs, any expenses related participating in the WPQ/BWPI competitions, or pool entry fees dictated by the Valley Pool (or other training venue).
2. Half Season Fee – This is the exact same as the Full Season but only for half the time (6 months from time of registration). Note – at the conclusion of this period you will still be an active member of the Tritons but will be unable to train or jump in the water.
3. Deferred Fee – This is a committee approved thing for those members that want additional time to pay off the club fees. We want and encourage participation in the sport and are happy to help put people on payment plans so that they can enjoy the club and the sport – but to do so requires a bit of trust with you. So please chat with Kevin or another committee member before selecting this option so we can work out the best solution for you.

Please select at least one of these categories (even though it is theoretically possible to skip this stage as it isn't hard coded in Revolutionise.)

Step 5 : Other Steps

The rest of the registration process is pretty stock standard. Note – registration is not complete until your payment has been processed.

Step 6 : Play Water Polo!

After you've completed your registration you can play Water Polo with us! We generally train on Sunday afternoons and Thursday Evenings at the Valley Pool. Specific training times vary by season and coaching/lane availability (sometimes the Valley Pool books over us or weather affects us) so please join our facebook group for more up to date training information. We have a public facing page at "Brisbane Tritons Water Polo Club" for broad announcements and a smaller, invite only group "Tritons Internal" for up to date training announcements.

We also utilise Instagram (@Brisbanetritons) heavily for communicating.

If you prefer to be communicated with exclusively by in-person conversations or email please let us know so that we can ensure that we make an effort to get the information to you in a timely manner – because we want you to play and have fun with the sport of water polo!

Any questions on the registration process please contact Kevin at Treasbrisbanetritons@gmail.com and we will try to get back to you as soon as we can within the context of our personal and work lives.
